Chef's Corner

A warm welcome to all "Week Two" Team Ontario participants. I hope you had a good trip and are starting to get familiarized with your new surroundings. You are about to embark on an unforgettable experience in beautiful Whitehorse where the weather has been cool but the competitions hot.

Blair McIntosh
Chef de Mission

Throughout your week, please take time to mingle with your Team Ontario mates and attend as many competitions as possible, especially those outside of your sport. Good luck to everyone and have a great time at the Canada Games! Go big O.

Cafeteria Chatter

The jury is in: the food services in the cafeteria are outstanding! The cafeteria is open from 6:00 am to 10:00 pm daily and grazing is available at all times.

Hot food will be available from:

Breakfast: 6:00 – 10:00 am

Lunch: 11:00 am – 2:00 pm

Dinner : 4:00 – 8:00 pm

When going for meals, you need to leave yourself enough time to check your coats and bags as you cannot take your backpack with you into the cafeteria.

You are allowed to take water bottles out of the cafeteria, but you are not allowed to take any other drinks or food out of the cafeteria back to your dorms. Juice spilled on the carpet will stain and start to smell after a few days.

Judo men and women were in the team competition on Friday. The men placed fourth and the women took the silver.

Accreditation Alert

You need to wear your accreditation at all times. You will not be let into the cafeteria or residences or any other Canada Games venue simply because you are wearing the Team Ontario uniform. Security is in place for our protection. If you lose your accreditation, contact your coach, manager or mission staff, and they will take you to the accreditation office which is on the main floor behind security at Yukon College.

Residence Reminders

There were complaints last week about air circulation in the residence rooms. One of the causes was clothing and towels draped over the vents, blocking the air flow. Please remember to take your clothes and towels off the vents and radiators, particularly at night, to ensure good air flow in the bedrooms.

There are temporary partitions in many of the rooms and they are not very sturdy. Please be careful with them, these partitions have to last another week.

If you lose the key to your residence room, you will be responsible for a \$10 replacement fee.

Please pick up after yourself in your room, particularly wet towels and clothing. You are living in close quarters with a lot of other people and you need to make an effort to keep things tidy and free of odours.

Please do not tape things to the walls or hang things from the ceiling in your residence room as this could cause damage to the paint and ceiling tiles.
